

Braze Continuity Letter Directions

1. NITC's most current braze continuity letter must be used. The braze continuity letter is available on our website at Nationalitc.com or from our office.
2. The braze continuity letter must be on contractor or J.A.T.C. letterhead.
3. The braze continuity letter must be signed by a contractor or an authorized representative of the company, that witnessed the braze.
4. The braze continuity letter must have a date for the most recent brazement that is prior to the expiration date of the brazer's certification.
5. When continuity is properly submitted the brazing certification will be extended for six months from the date of the recent brazement. The date of last brazement cannot be post dated. The Continuity Form must be received after the date of most recent brazement.
6. Please refer to the completed form below as an example. Blank braze continuity letter are titled "Installer-Brazer Continuity Form" and are available under the *Medical Gas Installer Certification* section at nationalitc.com

ISO 9001:2008 Certified

RECORD OF CONTINUITY BRAZER QUALIFICATION

We wish to use provision QB-322(a) of the ASME Section IX Boiler and Pressure Vessel Code.

Renewal of Qualification: Renewal of qualification of the performance qualification is required: when a brazer or brazing operator has not used the specific brazing process for a period of **6 months** or more; or there is a specific reason to question his ability to make brazes that meet the specification.
